## Pupils practice English in a fun way

**English Workshop for pupils in the 5th and 6th class at primary schools in Basel. The pupils have an opportunity of experiencing how a classroom in East Africa feels. This workshop is to show some kind of integration between different cultures.**

### Activities, Methods

This programme includes:

1. Singing fun English or Swahili songs and dancing with the kids
2. Playing African games like done in schools in Africa
3. Giving a course on cooking of traditional East African food to the pupils
4. Playing different musical instruments while singing fun songs
5. Storytelling of African Fables and discussing the morals of different stories
6. Narrating funny tongue twisters
7. Having an informative Question and Answer session with pupils about schools in East Africa
